Iran Uprising Live-Blogging (Tuesday July 1) (The Huffington Post)

I'm liveblogging the latest Iran election fallout. Email me with any news or thoughts, or follow me on Twitter . Send me instant messages at nico.pitney@gmail.com or njpitney on AIM. Scroll down for news related to the front-page headlines. Local Iran time is 8 1/2 hours ahead of Eastern time.

Blogging a dead horse for print (The Age)

News Limited chief executive John Hartigan has launched a broadside attack on bloggers and other online amateurs, arguing they are no substitute for professional journalists.
